United States District Court DISTRICT OF MASSACHUSETTS

UNITED STATES OF AMERICA

ORDER OF DETENTION PENDING TRIAL

CASE NUMBER: 05-30020-MAP

EDDIE SANTIAGO

In accordance with the Bail Reform Act, 18 U.S.C. §3142(f), a detention hearing has been held. I conclude that the following

| facts a | re established by clear and convincing evidence and require the detention of the defendant pending trial. |
|---------|---|
| | Part One - Findings of Fact |
| Ш | (1) The defendant has been convicted of a (federal offense) (state or local offense that would have been a federal offense if a circumstance giving rise to federal jurisdiction had existed) that is |
| | a crime of violence as defined in 18 U.S.C. §3156(a)(4). |
| | an offense for which the maximum sentence is life imprisonment or death. |
| | |
| | an offense for which a maximum term of imprisonment of ten years or more is prescribed in a felony that was committed after the defendant had been convicted of two or more prior federal offenses described |
| | r |
| _ | in 18 U.S.C. §3142(f)(1)(A)-(C), or comparable state or local offenses. |
| | (2) The offense described in finding 1 was committed while the defendant was on release pending trial for a federal, state or |
| _ | local offense. |
| | (3) A period of not more than five years has elapsed since the (date of conviction) (release of the defendant from |
| _ | imprisonment) for the offense described in finding 1. |
| | (4) Findings Nos. 1 and (2) (3) establish a rebuttable presumption that no condition or combination of conditions will |
| | reasonably assure the safety of (an)other person(s) and the community. I further find that the defendant has not rebutted this presumption. |
| | Alternative Findings |
| | (1) There is probable cause to believe that the defendant has committed an offense |
| | for which a maximum term of imprisonment of ten years or more is prescribed in ² |
| | □ under 18 U.S.C. §924(c). |
| | (2) The defendant has not rebutted the presumption established by finding 1 that no condition or combination of |
| | conditions will reasonably assure the appearance of the defendant as required and the safety of the community. |
| | Alternative Findings |
| | (1) |
| | (2) |
| | (3) There is a serious risk that the defendant will flee. |
| | (4) There is a serious risk that the defendant will (obstruct or attempt to obstruct justice) (threaten, injure or intimidate a |
| | prospective witness or juror). |
| | Part II - Written Statement of Reasons for Detention |
| | I find credible testimony and information ³ submitted at the hearing establishes by clear and convincing evidence that |
| D | efendant is facing a significant period of incarceration. The court is concerned with the fact that it appears Defendant, while on |
| probati | ion, continued to participate in criminal activity. His numerous motor vehicle related offenses demonstrate to the court an |
| | ingness to abide by societal laws and orders of the court. Defendant offered no proof of a legitimate employment history. |
| | lant is ordered detained pending trial. |
| | |
| | Part III - Directions Regarding Detention |
| | The defendant is committed to the custody of the Attorney General or his designated representative for confinement in a |
| correct | tions facility separate, to the extent practicable, from persons awaiting or serving sentences or being held in custody pending appearance. |
| | fendant shall be afforded a reasonable opportunity for private consultation with defense counsel. On order of a court of the United |
| | or on request of a attorney for the Government, the person in charge of the corrections facility shall deliver the defendant to the |
| | States marshal for the purpose of an appearance in connection with a court proceeding. |
| Cintcu | States maistral for the purpose of an appearance in connection with a court proceeding. |
